Re: **MORTON ELECTRIC, INC. NEW OFFICE BUILDING AND  
WAREHOUSE**

Dear Randy:

It is with great pleasure that I am writing this letter to thank you for the excellent services provided by your firm from concept to completion of our new building. After many years of working with Aagaard-Juergensen as a sub-contractor, I was aware of your integrity and dedication to quality workmanship. There was no hesitation when the time came to choose a contractor for our new office building and renovation of the existing warehouse.

Your professionalism was evident, not only in the execution of the plans and quality of work, but also in resolution of the inevitable problems that arise. Your staff was knowledgeable, courteous, and prompt in each step of the construction process.

We receive daily compliments on our new facility and can only thank you for your part in this project, and we look forward to a continued relationship with Aagaard-Juergensen in the future.

Sincerely,

**MORTON ELECTRIC, INC.**
