Walt Juergusen
% Aagard Juergusen

Dear Walt,

Words cannot adequately express the great relationship we had with your company during the construction of our pediatric dental office.

Your standards of excellence and true desire to please your client were proven over and over again.

Our experience with Aagard Juergusen is one that allows us to recommend the company to anyone considering building a new office/building.

Sincerely,

John W. Bishop, D.D.S.

Carlos A. Bertot, D.M.D.
