To Whom It May Concern:

Aagaard-Juergensen, Inc. has been either building or renovating my facilities for over two years. During that time I have known them to be honest and dedicated, hiring only professional subcontractors.

They just recently completed construction on a new five and one-half million dollar facility for my Honda franchise located on Highway 17-92 in Longwood; as well as developing the infrastructure for the adjacent thirty-acre parcel of land. This past year, Aagaard-Juergensen performed major renovations to three of my dealerships: Jimmy Bryan Lexus, Jimmy Bryan Toyota and Jimmy Bryan Hyundai/Suzuki. In addition, they built a new one million dollar plus corporate office situated on the Toyota property.

I am very pleased with the quality of workmanship produced on the various jobs they have completed for me and fully intend to use Aagaard-Juergensen, Inc. in the future.

I would highly recommend Aagaard-Juergensen, Inc. for any construction job for which they might be considered.

Sincerely,

Jimmy Bryan, Sr.
