Dear Randy,

On behalf of myself and Airfoil Textron, I would like to express my gratitude for the excellent work your company did during our plant expansion. I realize we added pressure to your crew because of our timeframe, but as it turned out, everything went fine.

I would like to mention that Dwayne was a great asset to this project. He was very cooperative on all matters and professional at all times.

We hope as our business expands we will have an opportunity to do more business with your fine organization.

Sincerely,

Rick DiCicco
