Dear Randy:

Thank you and all of your staff for the outstanding job you did getting Forms Manufacturers Equipment, Inc.'s new building completed.

With the combination of the initial zoning problems and the overabundance of rain we had this past winter, it was the tremendous effort of your people that got us into our building on time and within budget.

We as management and all of FME's employees are very proud to bring our customers and vendors into such a nice "home".

Thanks again.

Sincerely,

Judy Ruta
President
