Attn: Walt Juergensen, President

Dear Walt:

It was a pleasure working with you and your staff during the construction of our new wholesale distribution facility. The Construction Supervisor assigned to our project was accessible and returned our calls promptly. He was also very knowledgeable in dealing with the inevitable issues that arise from construction projects.

The workmanship received under Aagard - Juergensen is of superior quality, and, while you were not the least expensive bid, I feel that we have received real value for our investment.

In closing, I would recommend Aagard - Juergensen, without any hesitation, to anyone considering commercial construction.

Again, thank you. I look forward to working with Aagard - Juergensen in the future.

Sincerely,

William Mattern
