Re: Discovery Church

Randy:

On behalf of the staff and congregation of Discovery Church I would like to express our sincere appreciation for the marvelous job you and your firm have done in the construction of our facility. The devotion and professionalism of your field staff proved to be an asset far greater than what we anticipated. Your oversight of the project and various phases of work provided us with a tremendous amount of confidence and security. To say that our people are excited about their new facility is an understatement. Your personal skills and the skills of your firm have brought to us a facility that we believe will serve our purposes for years to come.

As we continue to grow we will undoubtedly be in need of a general contractor for further renovations and additions. It will be my pleasure to call upon you again when that time comes.

Sincerely yours,

Berry Johnston
Project Manager
