Dear Randy:

Thank you, Greg Roebuck, Dave Englemann, Dick Burton and the rest of the Aagaard-Juergensen, LLC design-build team for exceeding our expectations in the construction of the Missionary Ventures Orlando Headquarters Facility at 5144 South Orange Avenue.

We recognize the particularly daunting challenge that your team faced in getting site work approvals—yet in the end the effort was worth it all.

We will be proud for you to use the building in any future promotion of Aagaard-Juergensen LLC's high value design-build capabilities.

Very truly yours,

**Bo Cooksey
Resources Director**
