RE: Wal-Mart #908

Dear Randy:

At this time, I would like to let you know what a pleasure it has been working with you on the above mentioned project. Although we have had our problems, we have always been able to work things out for the best interests of both parties. This has been due to Dwayne and yourself being available and ready to help in anyway that you could and that is an asset to any job. Professionalism such as this should be commended for both yourself and your company. I look forward to working with Aagaard-Juergensen and yourself in the future.

Best Regards;

Roy Francis
General Manager
