Dear Rick,

We have been in our new building for a year now, and we couldn't be happier with all of the work your company has done for us. Everything works, and we have no call backs. The workmanship and the quality of your subs was indeed outstanding.

Our owner, Dan Bradley, has erected many buildings similar to ours all over the country and stated to me " I have worked with contractors everywhere we have warehouses, and the best one we have ever worked with is Aagard."

Please convey our thanks to all of your staff for a job well done.

Very truly yours,

Erick Forholt
