**Re: Sanctuary of Praise / Beacon Pointe**

Dear Randy,

During the course of my career as an Owner's representative, I have been associated with many "successful" projects. The new facilities for Sanctuary of Praise have been another great success. From the earliest days of pre-construction, to the final days of on-site activity, I have witnessed the Aagaard-Juergensen Construction Team place the needs and desires of the client before all else. Most importantly, your management team has, without exception, conducted themselves in an open and honest manner, and has demonstrated the highest degree of integrity.

It is a testament to your Team that the highest level of quality was achieved throughout the facilities, and that the builds were completed by your team on schedule. Aagaard-Juergensen continually displayed the flexibility and enthusiasm to meet every challenge.

Please pass along my sincere thanks to the Team for a job well done, and I hope for future opportunities that will allow for us to work together again.

Sincerely,

Integrity Development, Inc.
