RE: Burkey, Cooksey & Associates Office Building

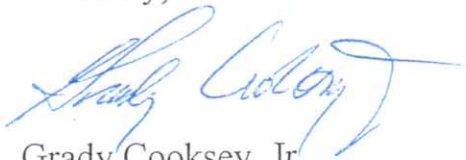

Dear Rick:

Burkey, Cooksey and Associates wishes to express their gratitude with a job well done. Aagaard-Juergensen was a pleasure to work with from the start to the finish in the construction of our office building. The Burkeys' and myself felt you were very fair in your contract and completed the job to our satisfaction both in time and price.

We would not hesitate to recommend Aagaard-Jurgensen to anyone interested in building a commercial building.

Thank you for your time and efforts.

Sincerely,

Grady Cooksey, Jr.
