To Who It May Concern

I am Chairman of the Board of Trustees for Conway Methodist Church. Last Year we did a complete renovation of an existing building that had outlived its purpose.

When we decided to make this building our Administration Center, we contacted several builders to give us a proposal. After careful consideration and evaluation, we chose Aagaard Jurgenson to do our job.

We chose the right company. They were timely, accurate, honest and complete during this construction period. We are extremely happy with our choice and plan to use Aagaard on our next project.

I would not hesitate to recommend them for any further project.

Sincerely,

John Davidson  
Chairman Board of Trustees  
Conway Methodist Church
